

Stephan Cote

BIO

Stephan is a professional leadership and communication coach, trainer, and sought-after speaker. He facilitates courses for diverse educational training schools on subjects like *“Innovation”*, *“Communication and Connection”*, *“Leadership Skills”*, *“Ethics and Integrity in the Workplace”* amongst other topics.

He has trained community and business people, professional communicators, educators, health care leaders and pastors from various backgrounds in different areas of the world like the United States, Canada, French Polynesia, Trinidad and Tobago, Guadeloupe, Martinique, France and Spain.

As a result of Stephan’s motivating DISC behavioral analysis training, teams, organizations, local and provincial government bodies and schools have grown in their ability to better communicate, resolve challenges, and achieve their desired goals as well as produce exceptional results.

His outgoing and engaging personality has helped him connect with his clients to better build healthy teams and successful emerging leaders for over 3 decades. Stephan thrives when he coaches, trains, and equips inspiring leaders to boldly pursue their purpose and mission.

ENHANCE YOUR LEADERSHIP PRESENCE & COMMUNICATION SKILLS WITH THE DISC ASSESSMENT

With a DISC assessment, you will discover what motivates you and your team to get moving, what inspires you to keep going and what may hold you back from your desired success. You and your team will be able to strengthen the habits, traits and behaviors that launch you, your team and your organization into your brighter future.

EACH TRAINING INCLUDES

- **A personalized online test for each participant**
- **30-page individualized personality report for each participant**
- **A team assessment of what each team member's strengths are**
- **A communication chart to enrich teammate connections and minimize employee conflicts**
- **And so much more**
